Our Online Class Code

The internet is a very important part of our lives and setting up an agreement can help ensure that everyone in the class is safe when using it.
We agree to:	Who is responsible for this?
◦ E.g. we will only go online during the agreed times	◦ Everyone in the class

How long will our agreement last for?

What do we do if we are worried about something or someone online?

What happens if someone doesn't follow the agreement?

◦ E.g. review the code, discuss how the agreed rule was broken and what changes can be made for the future
